Challenges of High Angle and Horizontal wells

Society of Petrophysicists and Well Log Analysts would like to invite you to join SPWLA Spring Topical Conference on *Apr 2nd- 3rd*, 2019 at the **Halliburton Life Center Auditorium, 3000 North Sam Houston Pkwy E, Houston, TX 77032**. This 2-days topical conference is organized by **High Angle and Horizontal Wells Special Interest Group** and is open to all SPWLA, affiliated and non-SPWLA members. Our purpose is to facilitate knowledge sharing, technical training and multiple discipline collaboration specific to high angle well placement and formation evaluation.

Call for Abstracts is Now Open!

Abstracts on the topics below are invited, other related topics are encouraged. Please limit your abstract to 300 words. Those selected will have 30 minutes for their presentations, including 10 minutes for discussion and questions.

Interpretation / Formation Evaluation

- Horizontal well log responses
- HAHZ well interpretation
- 3D reservoir characterization
- Challenges in HAHZ Formation Evaluation

Geosteering / Reservoir Mapping

- Well Placement
- Production steering
- Look-ahead technologies
- Structure maps and cross sections

Drilling Engineering / Operation

- Depth & well position uncertainty
- Drilling automation
- Operational issues for logging in HA wells

Data Integration / Application

- Completion design and modelling
- Frac optimization
- Image, coring, mud logging, cutting
- Rock vs Logs integration

Sponsorship

HAHZ SIG is a non-profit organization affiliated with SPWLA and run by oilfield professional volunteers.

If your company is interested in the sponsorship opportunity, please get in touch with HAHZ committee.

Organizing Committee

If you would like to volunteer to take part in the organizing committee, session chair, topical workshop, or field trip coordinator, please contact us by email below.

Please send email to

HAHZ@spwla.org

Abstract Deadline Extended:
Friday, February 15th, 2019

This topical conference will be conducted as an “off-the-record” forum with no publication of any material presented. We encourage the presenters and participants to share their case studies, conceptual innovations, new methodologies and latest technologies. Video recording, photographing or quoting of speakers or their presentations will be expressly prohibited. Company logos should be limited to the title slide to indicate the affiliations of the author and co-authors. Commercialism during presentations is not permitted.

Our Policy It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender, sexual preference, age, or disability.

Conference attendance seating may be limited due to room capacity. Preference will be given to applicants who are willing to present at this topical conference.

Conference Registration Fee: \$275.00 for SPWLA members, \$375.00 for non-members
