

SPWLA

Past, Present & Future

**An Exciting Future for
Petrophysics**

SPWLA

- Non-profit corporation
 - Founded in 1959
- Dedicated to the advancement of petrophysics
 - Log and core measurements
 - Formation evaluation techniques
 - Hydrocarbon, mineral and water resources
- Goals and Objectives
 - Promote awareness and value of petrophysics in the O&G industry and the scientific community
 - Serve as the voice of our profession
 - Play a major role in petrophysical education
 - Provide information services to scientists in the petroleum and mineral industries
